# Introducing **The Fun Food Chef**

www.funfoodchef.co.uk

The Fun Food Chef can provide catering for all your needs. We believe in going the extra mile to ensure your event is catered for to the very highest standards using fresh local ingredients whenever possible.

This includes flour from the fantastic Walk Mill near Chester, meat from Derek Massey & Sons, Heswall, fruit and vegetables from Vineyard Farm Bebington and even herbs and spices from Spice Pioneers in Bromborough.

The quality products we use are essential to make the dishes come alive at your event.

The meat, as you would expect, is pivotal and is of high quality. The beef is of Welsh Black reared in North Wales, lamb is of the Suffolk breed and is reared in either North Wales or even as close as Burton Marshes, Pork from Gloucester Old Spot and again is reared in North Wales. Any game used is from the Grosvenor Estate. All the chicken or eggs we use are free range.

In respect of the fish we use it is all from a sustainable source and supplied by T. S. Hughes of West Kirby. In addition The Fun Food Chef also supports fair-trade products only uses such for tea, coffee and spices and also uses some fair trade chocolate as well as Willies chocolate.

This package is not exhaustive but is aimed to help ensure you get exactly what you want.

Flexibility is critical and therefore just give us a call or drop us an email and we can discuss any individual needs. I am sure we can help.
